The Right Services ... to the Right People ... at the Right Time!

Vision

A.W.A.R.E. envisions a world in which no child or adult with developmental disabilities or mental health diagnosis will ever need to be in an institution and will have the opportunity to make choices and benefit from services assisting them in becoming as successful and living as full a life as they are able.

Mission Statement

A.W.A.R.E. will, consistent with its vision, develop the highest quality, individualized community-based supports and services which includes providing access to "the Right Services...to the Right People...at the Right Time!" while fostering and advocating for the inclusion, acknowledgement and respect for those with disabilities to be a meaningful part of their community.
